JOEFF DAVIS

Who could have guessed that a summer camp pottery class would lead to a successful empire of home décor shops? The **Jonathan Adler** store opened its first Atlanta location this past May on the Westside and has since supplied the city with "happy chic" creations. The bold colors and groovy sensibilities of the '70s permeate all of his designs, from mod orange lounge chairs (\$2,250) to a "dolls" pill box (\$28). *1198 Howell Mill Road. 404-367-0414. jonathanadler.com.*
